

Kalima

HAWAIIAN
HARD CREAMER

The Great Taste Of Blended Tropical Cocktails – Now In A Ready-To-Drink Premium Malt Beverage

Kalima Hawaiian Hard Creamers™ – The Fruity, Creamy, Tropical Malternatives

Deliciously different, Kalima Hawaiian Hard Creamers™ are the world's first ready-to-drink, non-carbonated, 5% alcohol malt beverages made with natural tropical fruit flavors and a hint of cream for silky smoothness. Flavors include Tropical Cream (orange- pineapple-banana), Piña Colada (coconut-pineapple) and Fuzzy Navel (orange-peach).

Kalima Hawaiian Hard Creamers deliver the bright taste of a blended tropical fruit cocktail – ready to drink, remarkably smooth and bursting with an incredibly intense, creamy, fresh fruit taste. They're the perfect party-starters.

So take your malt beverage section to the tropics with these great tasting, eye-popping, shelf-stable, 12-ounce long neck six-packs. All premium priced for maximum profit. Order yours today!

Tropical Cream – Smooth and refreshing, with intense flavor! Just imagine – oranges, pineapples and bananas, blended together with a touch of cream for the smoothest, best-tasting, ready-to-drink beverages this side of Kona.

Piña Colada – One taste of this familiar, creamy, coconut-pineapple concoction, and you'll think you're in the tropics. It tastes so much like its blended cocktail cousin, all it needs is a tiny umbrella.

Fuzzy Navel – Take one part orange and one part peach, blend in just a touch of cream, and you've got a deliciously different taste treat that goes down easy and lights up your taste buds.

B2 Beverage Company

B2 Beverage Company specializes in developing and marketing entirely new categories of uniquely flavored malt beverages – deliciously different drinks that provide altogether new, delightfully exciting taste experiences. With several nationally distributed lines available, B2 Beverage seizes upon every innovation to deliver new products that are unlike anything else on the market.
